

Nature and Tradition

Depart time: 8h – 9h – 12h – 14h -15h

Description: One of the more traditional paths of the National Park is Palmarito Coco Solo, which runs through the Valley of Viñales. The tour covers snuff plantations and cultivation of the farmers, and hummocks known as Viñales where there is always some intrepid climber hanging on the rocks. Cuva will visit the Cow, a farmhouse and a dryer where the drying process leaf snuff is displayed during the tour. Continue road to the cave of Palmarito where you can immerse yourself in their groundwater and relax before continuing way back.

The return journey will take place on the other side of the valley where you can enjoy its beautiful scenery and slopes.
